# John & Sue Cutlip Update

## Open Air Campaigners - Central Services

OAC ♦ PO Box D ♦ Nazareth, PA 18064

As I write this letter, we are making final arrangements to move from temporary housing in Bethlehem into our replacement home in the Bangor area. It has been a long process, over a year now, since we lost our Nazareth home of over 30 years to a devastating fire. But God has provided above and beyond all we could ask or think, and by the end of this month, Lord willing, we will be totally relocated. God has taken good care of us through you and many others throughout this entire process. Thank you.

John, Chris, Chad

Chad, Chris, Shannon

Chad and Shannon have been a tremendous help on site

Ministry outreach opportunities are starting to open back up and, of course, all the ongoing in-house administrative duties I perform to help keep things running behind the scene have never ceased; in fact, they have increased. I am thankful for co-workers, Mike and Renae Bussen, who are faithful team members here in the Bangor area.

Our staff man in the Ukraine, Anatoly, is in a difficult situation but is finding unique doors of opportunity opening up. We were able to help his wife and daughter

Anatoly (left) also ministers as a Chaplain for members of the military

relocate to the Seattle area where Anatoly's brother lives, while Anatoly stays behind to minister as needed in this country where God has called him.

**THANK YOU, AGAIN,** for praying and giving so we can continue on. We appreciate and need your help in this way.
