DECEMBER 2022

LOOKING BACK: *end of the year reflections*

It has been a good year of getting back to “normal,” not only in ministry but on the homefront as well. Our staff have been busy here in the States and overseas working with local churches to train and lead teams out in the open air, and it’s been a privilege to help with lots of behind-the-scenes administration to facilitate this. Much work has been accomplished here at our new home and ministry office location in Bangor, and we are just about done with all the needed renovations. We are looking forward to 2023 and beyond!

AS ALWAYS, WE ARE THANKFUL FOR YOU! We thank you for praying and giving so we can continue on. We appreciate and need your help in this way.
