Open Air Campaigners - Central Services

OAC ♦ PO Box D ♦ Nazareth, PA 18064

As I write this letter, our mission is gearing up for our annual week of open-air training. This will take place in the Baltimore/DC area. It's a blessing to provide such training to folks who take what they have learned back to their local church and use their new skills in outreach. We conduct training at other times of the year, also, as requests come in from local churches. God often uses folks who take our training to train others, which multiplies the ministry and increases the amount of gospel outreach here in the States and around the world!

Recent training of 14 folks from local churches in the Albany, New York area.

On Memorial Day weekend, our youngest son, Chad, was married to Sarah in an outdoor wedding here at our new residence in Bangor, Pennsylvania. They desired to conduct the ceremony **in the open air!** 🍷 🍷
