Open Air Campaigners - Central Services

OAC ♦ PO Box D ♦ Nazareth, PA 18064

AUGUST 2023

I AM THANKFUL THAT Open Air Campaigners places an emphasis on working in, with, through and on behalf of local churches. We believe God established the local church to do His work here on earth, and all our staff are very active in their local churches across the country and around the world. This summer, I have been asked by some local churches to join them in community outreach. Last month, I helped a church on the south side of Bethlehem and a second one in Allentown. It was exciting to see the commitment and level of activity of these inner-city churches as the church parking lot was closed to traffic, and the community is invited to come and enjoy the food and multiple activities provided; all focused on emphasizing the gospel message! Later this month, I am scheduled to do the same and look forward to being part of their team.

SUE CONTINUES TO BE INVOLVED on a daily basis working at our local church. She assists the pastors and other staff in many ways and is a blessing to many.

I AM HAPPY TO ANNOUNCE that Sue and I just celebrated our marriage anniversary #47. It seems like only yesterday we were preparing for that special day which took place outside under the trees in Northeast Ohio on my parents property!

AS ALWAYS, WE ARE THANKFUL FOR YOU! We thank you for praying and giving, so we can continue on. We appreciate and need your help in this way.

John & Sue
