

John & Sue Cutlip Update

Open Air Campaigners - Central Services

OAC ♦ PO Box D ♦ Nazareth, PA 18064

OCTOBER 2023

God invented the family! It's an important and foundational institution of society, and I'm thankful for the many facets of the family in my life.

Although our granddaughter, Lexi, lives in Virginia, I'm thankful her dad and mom make sure her summers are packed with visits to us and her other grandparents. This past summer we enjoyed driving her to summer camp in upstate New York. She even joined me at an open-air outreach in the Allentown area and helped set up equipment for a children's program.

Our OAC staff are much like family as well. My OAC co-worker's wife, Renae Bussen, has been spending some good mentoring time with a lovely young woman named Danielle, from our local church (another important family group). As part of this mentoring process, Danielle has started volunteering at our OAC office!

Last month, Sue and I gathered with many of our OAC staff family in Baltimore for a week together. Staff from 14 different states attended for a staff conference/retreat. We were ministered to by a local pastor and also had several fellowship and team-building sessions. We experienced God refreshing our vision and drawing us all closer to Him as we gathered together - it was great. Next year, our OAC International family from over 30 countries around the world will be meeting in Ecuador for a week of fellowship and ministry outreach.

AS ALWAYS, WE ARE THANKFUL FOR YOU, OUR SUPPORT FAMILY! We thank you for praying and giving, so we can continue on. We appreciate and need your help in this way.
